

## **“ADOPT A CHILD” “ADOPT A FAMILY”**

Please join us this year in helping low income children and families in need right here in Charlotte! Each holiday, we make sure every child who attends a low income; inner city after school program (A Better World) enjoys a special Christmas. These children have a home life that typically consists of a single Mom or grandmother raising them on a limited income, and this Christmas program is the only opportunity they have to receive gifts along with new clothing, shoes, coats, gloves, hats, etc. as needed! We are also able to help their single parent families as needed for various urgent needs that arise during this time of the year. Please see the 2 options available below, and help in any way you can. This can be done on an individual basis or on a corporate level with your business getting involved. And, 100% of what is donated through the New Leaf Foundation goes directly to these children and families!

**ADOPT A CHILD-** Is only \$50 per child and we have about 60 children participating this year. The children will receive a gift or two from their Christmas list along with clothing items as needed. All gifts will be given out during their Christmas party.

**ADOPT A FAMILY-** Is only \$150 per family, and there are usually about 25 low income, inner city families each year who are on hard times, and need urgent help. The New Leaf Foundation helps struggling inner city families all year long but they find more in need during the winter season and holidays. The funds from the Adopt A Family program are used to pay for heating bills, grocery items, rent, and any other basic needs.

The New Leaf Foundation is the Administrator of this annual event and is a 501(c)(3) non profit organization. Any donation amount is appreciated. And, feel free to pass this info along to your neighbors, church groups, employees, etc. so we can help as many as possible. Please join me in making this holiday season special for those less fortunate. Please send all donations in no later than December 13th.
